SOIL REMOVAL

IN ACCORDANCE WITH SECTION 4.41 RTZO

SECTION 4.41 - REMOVAL OF TOPSOIL, SAND, GRAVEL OR OTHER SUCH MATERIALS

- (A) Topsoil, sand, gravel or other such materials may be removed from any property in the Township if the Zoning Administrator issues a permit after determining that all of the following criteria apply.
- (1) The removal is pursuant to and as a result of the construction of a structure or the landscaping of the property.
 - (2) The removal does not exceed six hundred (600) cubic yards.
 - (3) The removal is completed within sixty (60) days from its beginning.
 - (4) The removal is not successive, but instead is the only such removal from the property within a three (3) year period.
- (B) Except as provided in subsection (A) above, no topsoil, sand, gravel or other such materials shall be removed from any property in the Township unless such removal is authorized by the Township Board pursuant to the Township's "Earth Change Ordinance," being Ordinance No. 78-1, as amended or restated or otherwise succeeded.
